

### **Music**

In music we will be singing and listening to songs about food. We will be using different instruments to create sounds and singing songs related to the different topic.

### **PSHE**

In PSHE we will be looking at the importance of family relationships and friendships. We will discussing how to develop and maintain healthy relationships. As part of Anti-Bullying week, we will be exploring what the key characteristics of a bully are and how to react if we see someone else being bullied.

### **PE**

This half term Year 3 will be having PE on a Wednesday and a Thursday afternoon. In our PE sessions we will be focusing on invasion games and the skills needed.

**Please make sure that your child has a plastic bag to carry their outdoor trainers when the weather turns cold.**

### **PSHE**

During PSHE this half term we will be looking at the importance of relationships and friendships and developing children's awareness of and their ability to value and empathise with others, manage conflict and recognise how we affect and are affected by others. Furthermore we will be developing children's understanding of the key characteristics of bullying and the different forms that bullying takes.

Mrs Bland

## **Dear Parent/Carer,**

We hope that you have had a relaxing half term break. Our topic this half term will be Scrumdiddlyumptious. This booklet will inform you about what your child will be learning in each subject this half term.

### **Mathematics**

During this half term, the children will be focussing on multiplication and division. They will continue to be tested on their times tables. **Please make sure you continue to practise these with you child at home. Their test will be on Fridays.** They will also be introduced to the grid method of multiplication. Throughout the half term, the children will be practising all 4 operations to improve their fluency, reasoning and problem solving.

### **English**

In English this half term our class text will be Charlie and the Chocolate Factory by Roald Dahl. We be looking at the setting and creating our own room within the chocolate factory. We will also be looking at the characters and creating our stories. Later on we will be moving on to look at instructions, and creating adverts for smoothies.

### **R.E.**

This half term in RE we will be asking the question “Has Christmas lost its true meaning?” We are learning to find out what the true meaning of Christmas is to Christians and compare this to what Christmas means to us.

### **History and Geography**

As part of our Scrumdiddlyumptious topic we be focusing on the significant individual James Lind, who changed the way we think about diet and nutrition. We will be tracking the journey of different foods from around the world to how they reach us in the UK. We will then be marking the country of origin on maps of the world. We will also being taking a look at fair trade and what this means to us.

### **Design Technology**

In Design Technology this half term we will be designing, making and tasting different fruit smoothies. We will be encouraging the children to sample a variety of different fruits and vegetables. As well as this we will be making our own bread and having a Year 3 “Bake Off”.

### **Science**

Our main focus in science this half term will be health and nutrition. This will involve using our senses, to describe the different characteristics of a range of foods. We will also be exploring the different food groups, before sorting food into these groups. We will then be using our knowledge of the food groups to design a balanced meal.

### **Art**

In art we will be focussing on analysing and replicating the work of the artist Giuseppe Arcimboldo and carrying out observational drawings of a range of fruits and vegetables.

### **ICT**

During this half term the focus for ICT will be covering basic computing skills such as locating and opening files and saving work in a specific file. We will also be teaching the children the importance of and how to stay safe on the computer and online.

### **French**

In French, the children will be using the vocabulary they have previously been taught in basic conversations. They will be introduced to games and songs, body parts and the colours. As part of our Scrumdiddlyumptious topic, the children will learn the French words for different foods.
