

# *Park Lane Primary & Nursery School*

**Executive Head:** Rob Litten

**Deputy Executive Head:** Rachel Bains

---

Thursday 19 March 2020

Dear Parents and Carers,

On Friday the 20<sup>th</sup> of March, Park Lane will be closing its doors to the majority of its pupils. We are waiting for a final list of key workers from the government, when we have received this we will share this with you, so that you know what support to expect and when.

We have been designing a home education package to help our pupils to learn at home. In Years 1-6 children will have already received a maths and English exercise book for them to complete work at home along with a QR code for you to access Seesaw. Please ensure that you are downloading the correct version of Seesaw (Seesaw class app) and use the step by step instructions on the handout to ensure that this works.

Nursery and Reception pupils will be able to access similar activities using their Tapestry account.

Once the school is closed each child will be sent work each school day via Tapestry/Seesaw.

Your child will receive English and maths activities, with a short video from the teacher on how to complete these. Please complete these activities in the books that you have received.

We understand that a very small number of parents may not be able to access Seesaw at home. If this is the case please inform your child's class teacher or the school office.

The activities do not require printing, as long as you can access them using a mobile phone or any other similar device such as a tablet.

The school's use of distance learning will evolve slowly but surely, so we'd like to thank you in advance for your support and patience as your child's class teacher becomes more familiar with this approach to teaching.

You will receive regular updates from school, via school comm's, as and when we have something new to share.

Yours sincerely

Mrs Rob Litten

Executive head teacher
